

No1 CopperPot's Limited Edition Loan – available until July 31st!

No1 CopperPot Credit Union helps members of the Police Family to save and borrow direct from their payroll each month. Joining the Credit Union is free, and membership simply requires you to save at least £5 per month into your [Member Account](#). This can help build your savings for a rainy day, holiday, or whatever your saving goals are. This is an easy access account and there is **no cost** to withdraw your savings, simply request a withdrawal and funds will be transferred to your bank account. Once you are a member of No1 CopperPot, you will have access to the range of products on offer such as [Junior Accounts](#), [loans](#), [mortgages](#) and the [lottery](#).

[The Limited Edition Loan](#) is only available until 31st July 2021. You can borrow between £5,000 and £14,999 at a **guaranteed rate of 4.9% APR**. It is available for all new and existing members! Whether you're considering buying a new car, home improvements or funding a life event, this loan could help you to finance it. Repayments come direct from payroll, meaning loan repayments are taken care of before your salary reaches your bank account.

We assess loans based on affordability and our lending criteria; our focus is not on your credit score. Each loan application is personally assessed by one of our in-house Loans Officers and they consider a range of factors on your loan application.

Benefits of membership with No1 CopperPot:

- [Life Protection](#) included on savings and loans at no added cost (terms and conditions apply).
- Your online account allows you to keep track of your balances and withdraw funds.
- Eligibility to receive an [annual dividend](#) – your share of our profits.
- Overpay on your loans with no fees or penalties.
